

Responsible Sourcing Policy

Supply-chain due diligence aligned with recognised responsible-sourcing guidance.

Specimen document. The text below is placeholder content provided to demonstrate the layout.

Commitment

The firm sources metals in a manner that respects human rights and avoids contributing to conflict.

This section contains placeholder text used to demonstrate the document layout. The final document is provided to verified partners on request.

Supply-chain due diligence

- Establish a strong company management system for responsible sourcing.
- Identify and assess risks in the supply chain.
- Design and implement a strategy to respond to identified risks.
- Carry out independent third-party assurance where appropriate.
- Report annually on supply-chain due diligence.

Grievance mechanism
